Introduction:-

Due to recent changes to Court Fees, Weightmans have made changes to how the Court fees are calculated within the Cost Calculator.

The Court fee has now changed from being an automatic calculation, to the user being directed to a link showing the new court fees, with an additional box to add in the relevant fee manually.

All other features of the cost calculator remain the same.

1.0 Changes to Court Fees within cost calculator.

The change to the Court fees has been added on Page 5 of the cost calculator.

When you get to page 5, there is now an additional box to add in the Court Fee and a link to the new court fees table:-
